

Violation Notice

Date: _____ NC #(s): _____

Inspector: _____

Inspector phone #: _____

*The object(s) referenced above have been found to be in violation
of the Uniform Boiler & Pressure Vessel Act
and Administrative Rules.*

A detailed violation letter will soon be sent
to the address we have listed for you in our database.

**See the reverse side
for important information.**

1. You have **60 days** to make corrective action and notify the Inspector that the object is ready for re-inspection. Upon notification, the Inspector will make a follow-up visit and close the violation(s) if satisfactory.
2. If you fail to notify the Inspector within **60 days** that the corrective action has been taken or that the object is no longer in service;
 - “Menace to Public Safety” tags may be placed on the object and in a location visible to the public and employees.
 - **You will be subject to penalties** pursuant to NC General Statutes Chapter 97, Article 7A, 95-69.19
3. If more than **60 days** is needed for the corrective action, you must make a written request to the Chief Inspector prior to the **60-day** deadline. This request shall include the NC number, reason for the request and the length of time needed to comply. The Chief Inspector will review the request and determine if an extension is warranted.
